**Title:** Holistic Information Security Practitioner (HISP) Certification Course

**Class Dates:** August 11-15, 2008 (5 days)

**Class Location:** Austin, Texas

**Number of CPEs earned:** 35

In cooperation with the HISP Institute and eFortresses, We are pleased to offer the first "Holistic Information Security Practitioner (HISP) Certification course in Austin, Texas to ISSA Members only.

This is the only integration course that provides practical education on the integration of best practices and standards for Information Security Management, Information Systems Auditing and multiple Regulatory Compliance requirements and how to map multiple regulatory requirements to the internationally accepted best practices framework of ISO 27002 (formerly ISO 17799).

The class covers the integration of ISO/IEC 27002:2005, COBIT, COSO and ITIL then explains a methodology to map regulations such as UK Data Protection Act, EU Directive on Privacy, Basel II, HIPAA Security, FFIEC, GLB Act, FIPS 200, Sarbanes-Oxley Act (Security), FACT Act, PCI Data Security, California SB-1386, OSFI, PIPEDA, PIPA, Canadian Bill C-168 to the ISO 27002:2005 framework.

For more information regarding the HISP Certification Course content and value, please visit <http://www.hispcertification.org>

For more information regarding the HISP Institute, please visit <http://www.hispi.org>

A Special price of \$1,497 based on a 50% Discount to ISSA-Austin members is available for registrations received by **July 14**.

This discounted price is available only through eFortresses, Inc.

There is a separate Exam fee of \$499 due to the HISP Institute, should you choose to take the exam administered after class, but due to this special offer, you can also sign up for the course with the exam for only \$1996.

To register and obtain the above prices, please click on the "**Register Now**" link at <http://www.hispcertification.org> and choose the Austin Texas class from the drop down menu.
